PRESIDENT'S MESSAGE

Bill Sempier

I wish to thank the volunteers that have been handling membership at the clubhouse this year. Shirley Waller, Erica Bota, Johanne Miller, Marianne and Ralph Rosamilia. They have been taking care of this responsibility for many years giving every Wednesday evening and Saturday mornings. Its volunteers like these that help keep our lake community going.

Thanks to our treasurer Sebastian Ostolaza our financial/membership database/website is running great. So many of you have taken advantage of signing up online in the comfort of your easy chair. We will be expanding online event registrations this year. There is no more sign up board. You have to add your family members to your profile and then select the interest items for each. This will help improve communication

to specific clubs or events. Emails targeting only those members who have an interest in that specific club.

Welcome Aboard

The board wants to welcome Brian Kavinski to the board. Brian is an active participant on the horseshoe and dart teams. Brian will serve as District 1 representative. We are looking forward to his input.

PRESIDENT'S MESSAGE continued from page 1

Welcome Back

We wish to welcome back our 2 beach managers McKenzie Price and Debbie Thore. Both are busy now, interviewing lifeguards for the summer season and planning events.

We also want to welcome back swim coach Rachel Summa. She is looking to build on the team's success from last season.

Attention Boat owners

Please be sure to keep your boats free of standing water. Even a tiny bit breeds lots of mosquitoes. If you won't be using it for a while, please turn it over.

Walking Around the Lake

When walking around the lake always walk facing traffic. Wear bright reflective clothing when walking at night. You may not hear or see a car coming up from behind.

THANK YOU SHIRLEY

On behalf of the Board of Directors I want to thank Shirley Waller for her many years of service to our community. Shirley has been an active member for so many years serving as Board secretary for 10 years, as chair of the open house committee, the Santa breakfast and an active member of the volunteers that assisted all of us during membership sales.

Shirley always met you with a smile on her face and a genuine interest in helping everyone. Both her and her husband Bill were involved in so many activities at the lake it's hard to keep track, but you can be sure if it was happening, they were there. She hosted many board work sessions at her home where she always made the most awesome brownies.

Shirley was one of the fortunate few to have a lake front home. A few years back she sold her home and moved up to Powder Mill Heights where she still has a view of the lake. In the nice weather you can always see her walking around the lake. She still helps out with membership.

Shirley will be leaving us to move closer to her daughter in Lake Norman North Carolina in early June. You can take the person out of the lake, but you can't take the lake out of the person. Her new lake may be a bit hard to walk around though at 520 miles.

If you are not receiving email from the LPPOA, please make sure to renew your membership and update your profile with the correct email address. Don't forget to check your spam folder in case of any unwanted filtering. Visit our Help page for profile updating assistance.

News & Views is published ten times a year by the Lake Parsippany Property Owners Association. Subscription rate is \$12 annually; free to members of the LPPOA.

HUB LAKES SPORTS

Randy Vyskocil

The Hub Lakes sports season starts in May with men's softball. The LPPOA will be participating in men's softball, swimming, men's volleyball, ping-pong, horseshoes and one day events for bowling, track and men's golf. It is not too late to participate and players are needed for each team. Also, please use the Hub Lakes website for important information including schedules and directions to each lake. PING PONG

Lake Parsippany Ping Pong Team is looking for new participants! In need of men and woman both adult and children for a full team. Beginners are welcome! We will gladly coach anyone who decides to come.

Ping Pong is the perfect sport for the whole family.

- Easy to pick up but takes lots of practice to master
- Relatively no risk of injury, one of the safest sports
- Casual & friendly environment, it's about having a good time
- Get a chance to visit and meet the other nearby lake communities
- No obligation required
- Fun for kids and adults alike
- No charge to join! Free for all members of Lake Parsippany

Starting mid-June matches will be help against the other teams in 'Hub Lakes' every Wednesday at 7pm. We will also be holding team practices around the availability of the team. Enjoy your summer with this great group of people and join the team today! If you or your children have any interest please contact the team coaches David and Zach.

Please don't kill us with bread!

Bread is actually a danger to us ducks and other water birds

It causes Angel Wing which can make our feathers grow too quickly. This strains our muscles and can stop us flying.

Our friends the swans develop fatal gut and heart disease

Bread is bad for our water environment. It rots, and pollutes the water.

This allows bacteria to grow and encourages rats. It causes algal bloom which gets into our lungs and kill us birds.

LAKE PARSIPPANY BOOK CLUB

Christi Hegyi Gardner

Another book about the Titanic?

We read *The Girl Who Came Home* by Hazel Gaynor.

This book brings a new perspective to this tragedy. It followed a group of 14 people who left County Mayo Ireland, to meet relatives in America.

This is based on true events; the group is known as the Addergoole Fourteen. The author not only describes in great detail steerage life and emotions onboard, but also brings to the surface the actions and feelings of those friends and family behind in Ireland and those waiting for the passengers in America.

We even learned about the Titanic dogs. Touching and thoughtful, this is a good book.

Please read it and let us know what you think of the book!

We meet the 3rd Tuesday of the month.

Contact Christie at 973-503-0333 for further details.

PS: Come visit us at the Open House! We would love to chat with you!

REMINDER TO ALL FISHERMEN AND WOMEN:

Fishing in the beach areas or swim lanes is not allowed. We want you to "hook fish, not swimmers." When fishing, you must have your 2019 badge on or with you at all times. This is true for all members who are on Lake Property at any time. Cars on Lake Property must have current car tags.

FISHING CLUB

Tony Suprum

March 30th was the Annual Trout Stocking Event. The weather was about as good as I ever remember it being.

People started showing up as early as 8:15am and by 9:15am there were 70+ people with at least half being young anglers.

The stocking truck showed up at 9:30am. We stocked 374 trout 12 to 14 inches and 5 trout 17 inches plus. Vern and his son Chris, owners of the Trout Musky Hatchery, donated a trout in Winnie's honor. It was a golden trout around 6lbs. There is a prize associated to 4 of the 5 large trout. The large trout have a tag. The tag number is associated to the prize.

The Fishing Club would like to thank, the young anglers for assisting with the trout stocking. Young anglers were rewarded with donuts, munchkin's, hot chocolate and they got to pick a lure from the basket of lures.

The Fishing Club would also like to thank, Henry Corforte, Joe Corforte, Pop Suprum and Maureen Suprum. Without these folks, the Annual Trout Stocking Event would not be as fun or run as smoothly as it does.

One more thing to add, I overheard a few of the young anglers asking their parents if they could come back next year for the stocking.

April 6th was the Annual Winnie Opening Day Trout Contest. This day was also about as nice as I could remember for opening day of trout season.

Twenty-one people signed up for the trout contest. Four trout were weighed in, but I know more were caught. The winner of the trout contest was Larry Galante with a trout of 11lb 2oz. He beat out Pop Suprum by 2oz's.

Remember, it's not always about catching fish. It's the joy of being outdoors and having fun with family and friends.

Upcoming Bass Contest Dates:

May 18th - 8am to 4pm

June 15th - 6:30am to 3:30pm

July 13th - Noon to safe light

August 17 - 6:30am to 3:30pm

September 21st - 11am to safe light

Stay tuned as dates or times may change.

SAILING CLUB

Ralph Rosamilia

COME FOR A COURSE SAIL FOR A LIFETIME... LPSC Sailing Class is a good way to start. Every time you sail you build confidence, experience and have fun.....I would encourage new sailors to not over think it; just do it. There are a few simple things you really should know, and beyond that, it's your time on the water and experience that will make the difference. The sailing friends

you will meet will prove to be the most pragmatic and helpful sailors you will sail with. The most valuable thing is experience and repetition, you should try to sail as often as possible and in different conditions.

PARENTS Let's not watch from the shore, join with your kids and share their fun and experiences. Little or no experience is preferred. You just might create a lifelong passion.

REQUIREMENTS One must be 11 years old as of May 1st and have a current LPSC Photo ID, and a desire to learn. The cutoff date for signing up for the class is June 1st. The class is Saturday, June 8th. No walk-ins. Sign up at Membership Sales on your application. Registration is closed June 1st or when class is filled.

LEARN TO SAIL CLASS IS JUNE 8TH Featuring visual aids, hands-on instruction, principals you will put into practice. Here you will meet other members who share your interest in

sailing plus our staff of 15+ to help you overcome the perplexities of learning too much too soon. A boat is helpful but not necessary.

QUESTIONS AND INFO Call Ralph at 973-503-0249, or e-mail lpssc@optonline.net, or check the Boathouse Bulletin Board for updates. Click on the Sailing Club website www.lpssc.us for updates and photos.

It's been 10 years since Beach Camp was a summer event at the lake. Between new members joining and a decade passing it is easy to forget what Beach Camp is all about. So let's start with the obvious questions, What is Beach Camp and what do you do? Beach Camp is the only overnight event held throughout the summer. Picture it as a mix of our family fun night and camping overnight. Upon arrival, you have the option to pitch a tent or sleep under the stars. During the evening and early night, there are a variety of games for the kids as well as an open swim area. Games such as Tug of war, lollipop hunt, and others. At the conclusion of the games, we start a firepit to make s'mores and to enjoy the fire by the lakeside. Once the night starts to wind now people head to their tents to relax or head to bed after a fun filled night. In the morning you wake up by the lake with warm bagels for breakfast as you prepare to take on the day.

This event was a staple for many people over the years. Don't just take it from me, take it from some people who have fond memories.

Nick Berardo: *Once upon a time we told stories about a Lake Parsippany Monster*

that appeared during the night and there was also one year where we tried to keep the campfire going all night long and we succeeded.

Ryan Vyskocil: *I remember the games the lifeguards used to run were always awesome and s'mores were always a highlight.*

Teddy Reiser: *I have many memories of staying up all night playing cards and even back when the event was brand new, playing flashlight tag.*

As you can see this event resonated with many people. The memories they made over a decade ago are still fresh in their minds. If you want to know what we're talking about, then sign up for Beach Camp 2019 and be prepared to make life long memories with not only you, but your family, friends, and new friends that you'll meet. Hope to see you all there! Need some extra info...

Where is Beach Camp Held? Beach camp is held at Drewes Beach

When is Beach Camp? 7 pm Friday, July 26th through 9 am Saturday, July 27th

How much will it cost? \$10 will cover the entire family membership.

GARDEN CLUB

When you go around the lake do you happen to notice the blooms at the base of the Lake Parsippany Sign at Califon Road, or the flowering hostas and Echinacea at Hoffman Beach? Did you realize that there is real New Jersey shore beach grass at the water's edge at Hoffman Beaches' patio? Have you seen the riot of colors at the base of Flemington Road in the Springtime? These are the handiwork of the Garden Club, which takes care of four different gardens located around the lake.

Meetings are held weekly for an hour at one of our gardens where members can be found planting, watering and weeding, all the while making new friends and enjoying the beauty of being lakeside. Meetings are usually held in the early evenings or on Saturday mornings, depending on the weather, but we have special projects for those who cannot make the meetings but want to help make the lake even more beautiful. Our meetings run from March until October. Want to join us? Our membership is open to all aged 12 and up. Please contact Joan at upasana_mahon@yahoo.com.

LPMYC

NEW MEMBERS EXCITING NEWS

We now have a "club" IOM for use by new members. It is a "Liberte", one of the first ones made by Allen. L3 is back on the water through a team effort by Michel, Skip and Allen. We hope to use this IOM as a loaner yacht for new members until they can outfit one for themselves.

As we mentioned last month, we have two new members joining both the Lake

Association and LPMYC. Both Jim and Skip are from out of town but have joined specifically to sail with LPMYC. Both Jim and Skip agree with us. Our lake is perfect for this hobby.

We also have news about our annual regatta this season. This year we will host a National Event, October 12th & 13th. We expect to have skippers come from all over the US.

You can join LPMYC for free anytime once your lake membership is up to date. If you want more information about LPMYC, please contact Michel Roure at michelusf11@optonline.net.
